A

Water Quality Sample Area Boundary and Designation

Public Notification Remains in Place

Water Restrictions remain in place for these areas until additional flushing and water quality sampling results are available to determine if restrictions can be lifted.

Water Not Yet Restored

GFCSD is working diligently to restore areas to all areas of the system. We are prioritizing our efforts to restore water as quickly as we can. Some areas are affected by leaks and repairs. Pressurized areas are affected by more significant repairs and replacement of pumps and equipment.
